Description : <p>Miles Morales discovers explosive powers that set him apart from his mentor, Peter

Parker. Master his unique, bio-electric venom blast attacks and covert camouflage power alongside

spectacular web-slinging acrobatics, gadgets and skills.<br>

A war for control of Marvel's New York has broken out between a devious energy corporation and a

high-tech criminal army. With his new home at the heart of the battle, Miles must learn the cost of

becoming a hero and decide what he must sacrifice for the greater good.<br>

Traverse the snowy streets of his new, vibrant and bustling neighborhood as Miles searches for a

sense of belonging. When the lines blur between his personal and crime-fighting lives, he discovers

who he can trust, and what it feels like to truly be home.</p>

Description : <p>The Apple M1 chip gives the 33.78 cm (13.3 inch) MacBook Pro speed and power beyond belief. With up to 2.8x CPU performance. Up to 5x the graphics speed. Our most advanced Neural Engine for up to 11x faster machine learning. And up to 20 hours of battery life - the longest of any Mac ever. It's our most popular pro notebook, taken to a whole new level.<br>

It's here. Our first chip designed specifically for Mac. Packed with an astonishing 16 billion transistors, the Apple M1 system on a chip (SoC) integrates the CPU, GPU, Neural Engine, I/O and so much more onto a single tiny chip. With incredible performance, custom technologies and industry-leading power efficiency, M1 is not just a next step for Mac - it's another level entirely.</p>

Description : <p>With this Canon DSLR Camera, you can take all the pictures you've dreamt of taking with ease and efficiency. With a 30.4 MP high-resolution and high-speed (full-frame) CMOS sensor, your pictures will have the smallest of details that will make them stand out, beautifully. With this DSLR camera, you can shoot continuously with complete AF and AE tracking. You can capture many RAW images and JPEGs in one burst while capturing sharp images in every frame. You can record movies in high resolution as well with this DSLR camera.</p>
